

Argila Vezelay

Colección cerámica de revestimiento compuesta por referencias hexagonales de carácter artesanal. 'ARGILA VEZELAY' combina su relieve irregular con el acabado esmaltado brillante en sus bases. Las referencias decoradas juegan con dibujos y diseños contemporáneos sobre las bases neutras.

A wall tile collection made up of handcrafted-looking hexagonal tiles, 'ARGILA VEZELAY's field tiles combine an uneven surface with a glossy glazed finish. Its décors feature modern-looking patterns and designs on a neutral-coloured background.
