

INTRODUCING CHEVRON BY SALVATORI

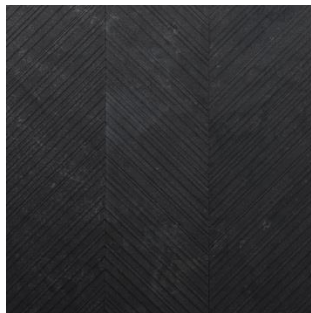

An evolution of our Raw texture, designed for us by Pietro Lissoni, Chevron was inspired by the idea of reproducing the eponymous fabric in stone.

Extremely flexible, it can be used for floors, walls and boiserie. Its natural grip and visual similarity to decking means it is also ideal around swimming pools.

Materials: Bianco di Carrara, Crema d'Orcia Select, Pietra d'Avola, Silk Georgette

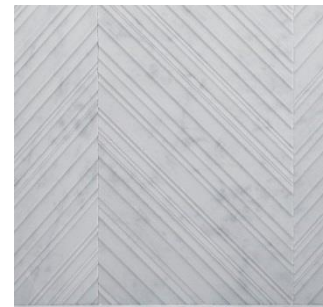

TILES: 7³/₄ x 35¹/₂ inches with a thickness of 9/16 inch

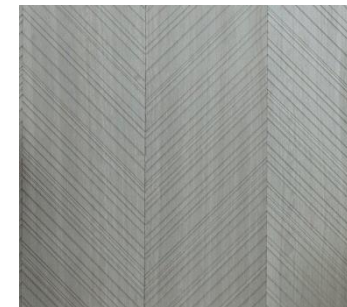

Pietra d'Avola

Crema d'Orcia

White Carrara

Silk Georgette
