Soft Touch

La serie "Soft Touch"

si rifà alla pittura crackle, una tecnica utilizzata per conferire alle superfici verniciate un aspetto vissuto e invecchiato.

Segno indelebile per ambienti contemporanei.

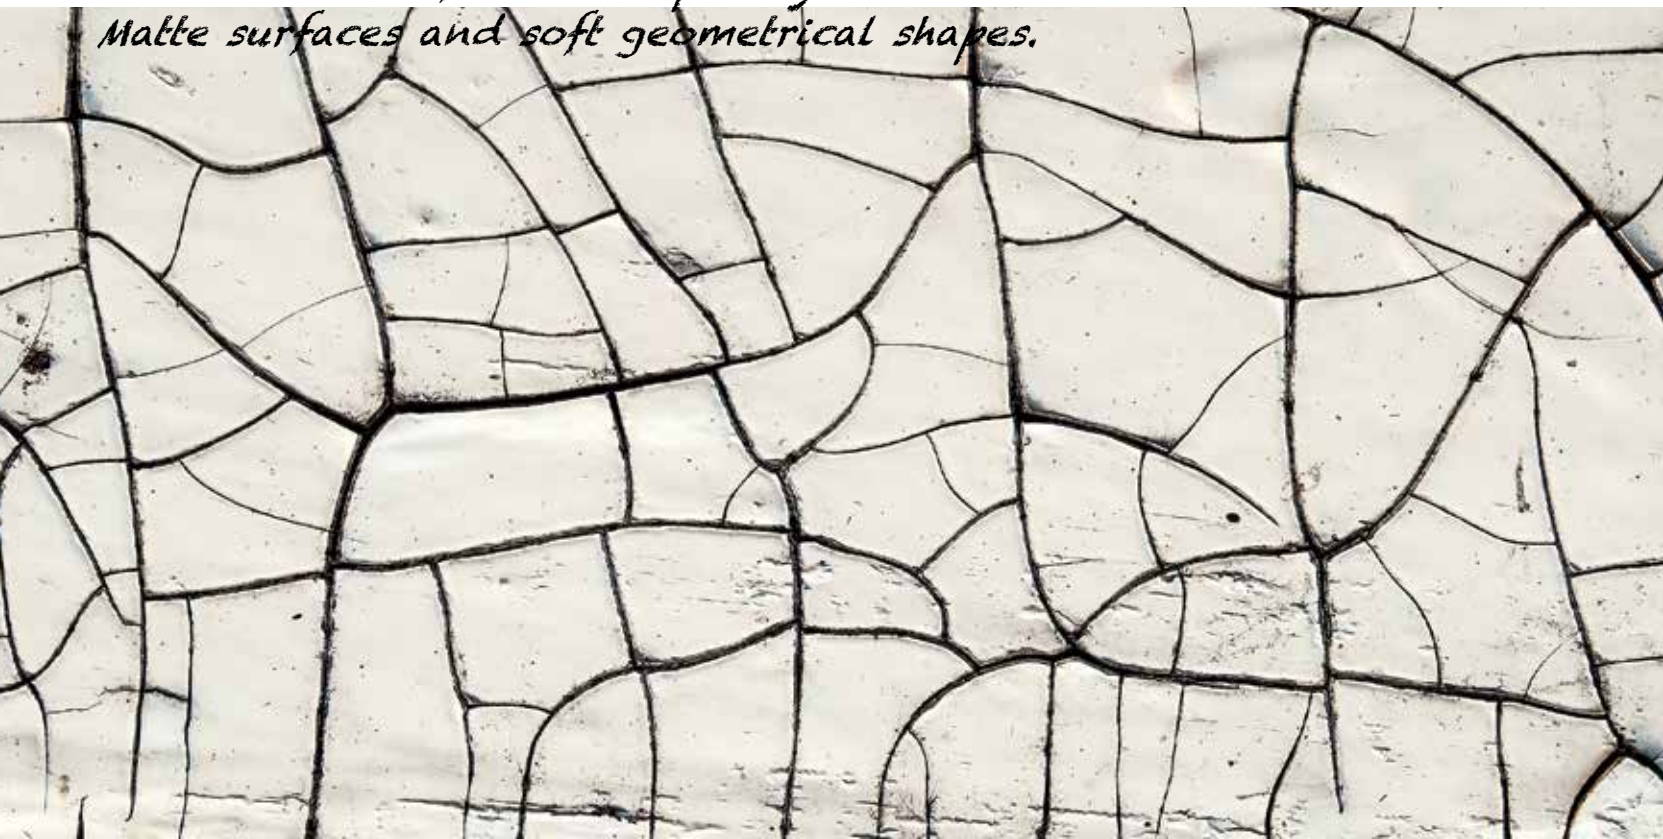

Superfici opache e forme di morbida geometria.

The "Soft Touch" series

refers to crackle painting, a technique used to give the painted surfaces a lived-in and aged look.

Indelible mark for contemporary environments.

Matte surfaces and soft geometrical shapes.

SOFT TOUCH
