

Belvédère Modern Retro

15x26 . 6" x 10¹⁵ / 64

vloer/wandtegels
floor/wall tiles
Bodenfliesen/Wandfliesen
pavimenti e rivestimenti

Retro look, modern feel; dat is Belvédère Modern Retro. Uniek in vorm, stijl en karakter, en ontworpen in Urban Design stijl. Geschikt voor wanden en vloeren. De acht actuele kleuren – van koel tot warm – nodigen uit tot eindeloos variëren.

Traditional styles take on a modern twist in the Belvédère Modern Retro collection, which is characterized by colours and texture recalling the «Urban-Design» style. Ideal for floor and wall décor; the 15x26 cm rhomboid format of the Belvédère Modern Retro collection comes in eight intense colour shades and allows for different tile pattern solutions to make each space unique and inimitable.

Un coup de neuf pour les formes géométriques traditionnelles dans la déclinaison Modern Retro de la série Belvédère. Une collection dont les couleurs et les textures rappellent le style « Urban Design ». Idéal au sol comme au mur, le carreau en forme de losange dimensions 15x26 cm de cette série, déclinée en 8 tonalités intenses et différentes, permet de réaliser des combinaisons de pose originales, variées et innovantes pour faire de chaque espace un lieu unique et inimitable.

Traditionelle Formen kleiden sich mit Modernität um in der Deklination des Modern Retro von Belvédère, eine Kollektion, die mit den Farben und den Texturen an den Stil des «Urban Design» erinnert. Das für Boden- und Wandbeläge ideale Format in Rautenform 15x26 cm von Belvédère Modern Retro, das sich in acht verschiedene, kräftige Farbtöne gliedert, ermöglicht es, originelle Kombinationen bei der Verlegung zu bilden, die jeden Raum zu etwas Einzigartigem und Unnachahmlichem machen.

Geometrie tradizionali si vestono di modernità nella declinazione Modern Retro di Belvédère, collezione che richiama nelle colorazioni e nelle texture lo stile «Urban Design». Ideale per pavimenti e rivestimenti, il formato romboidale 15x26 cm di Belvédère Modern Retro, declinato in otto diverse intense tonalità, consente di realizzare originali combinazioni di posa capaci di rendere ogni ambiente unico e inimitabile.
