MICRA

Su sensatez y su descaro. Su exaltación y su mesura revelan la dualidad de la colección Micra, convirtiéndola en una colección versátil para gustos dispares.

La estética de Micra esta basada en una paleta intensa de cementos coloreados con incrustaciones de diminutos fragmentos en diferentes intensidades.

Micra consta de gran variedad de porcelánicos y revestimientos con piezas muy desiguales, alegre en sus excesos de color y gráfica. Relajada y discreta en sus tonalidades más neutras.

La fuerte personalidad de micra la hace única. Micra te sumerge en un mundo de fantasía para hacer de la decoración de los espacios un juego.

Courageous sensitivity and restrained elation. Duality revealed in the Micra collection making it a versatile collection for contrasting tastes.

The aesthetic of the Micra collection is based on an intense palette of coloured cements inlaid with tiny fragments in varied intensities.

Micra consists of a wide range of porcelain and wall tiles with uneven pieces. Content with its excesses of colour and graphics. Relaxed and discreet in its most neutral tones.

The strong personality of Micra makes it quite unique. Micra immerses you in a world of fantasy making decorating rooms and spaces an delightful gamification.
