NEW COLLECTION**

— MURUS

Murus is our tribute to clay (argilla, in latin). A basic element of ceramics, clay is one of the oldest materials used by man.

This collection represents a muretto decor ideal for kitchen and bathroom backsplashes and walls, but is also suitable for living rooms or public spaces. The tonal variation of each piece focuses on the naturalness of the design.

Murus es nuestro homenaje a la arcilla (argilla, en l t n). Elemento b sico de la cer mica, la arcilla es uno de de los materiales m s antiguos utilizados por el hombre.

Esta colecci n representa un decorado muretto ideal para frontales de cocinas y ba os, pero tambi n es apto para salones o espacios p blicos. La variaci n tonal de cada una de las piezas pone el foco en la naturalidad del dise o.

"It is a material that talks about our origins as human beings, about the first constructions and tools that were used. On the other hand, something I wanted to emphasize are the reddish pigments typical of these lands, a warm color palette, full of passion. The idea is to reproduce the emotional impact of the artisan material, but with the precision that only digital technology permits".

Luigi Romanelli

Murus "Es un material que habla de nuestros orígenes como seres humanos, de las primeras construcciones y enseres que aparecieron. Por otro lado, algo que quería destacar son los pigmentos rojizos propios de estas tierras, una paleta de color cálida, llena de pasión. Se trata de reproducir ese impacto emocional del material artesano, pero con la precisión que nos permite la tecnología digital".
