

SEVILLE

The imperfection offered by handcrafted products is unique and unparalleled, and to the eyes of a keen observer, it can seem perfect. Zellige, an Arabic composition that first appeared in the 10th century in Morocco, is a true reflection of this artisanal essence. Our Seville collection draws inspiration from it, paying meticulous attention to details to create a collection full of nuances. Its wide color range includes both traditional and cutting-edge hues.

La imperfección que nos ofrecen los productos artesanales es única e inigualable y, a ojos de un buen observador, puede resultar perfecta. El zellige, composición árabe que aparece por primera vez en el siglo X en Marruecos, es la muestra de esta esencia artesanal. Nuestra colección Seville bebe de ella, cuidando al milímetro los detalles para conseguir una colección llena de matices. Su amplia gama cromática cuenta con colores tradicionales y de vanguardia.
