

Surf

A color palette book is shown, with a fan of color swatches fanned out from the center. The swatches are arranged in a semi-circle, showing a wide range of colors including blues, greens, yellows, oranges, and reds. The book is bound in the center, and the pages are slightly curved. The background is a solid color, likely the cover of the book.

VIVES

Surf

Surf de Vives, es un complemento muy versátil que encaja con naturalidad en cualquier espacio contemporáneo. Surf nace con la finalidad de conjugar y servir como una ornamentación suplementaria para muchas de las colecciones de VIVES. Permite así hacer realidad los proyectos más ambiciosos y creativos.

Si puedes imaginarlo, con Surf puedes hacerlo. Surf se compone de varios revestimientos en 32x99 cm. de colores claros, luminosos y con una amplia diversidad de matices decorativos. Gran variedad de piezas en 2x23 cm. y 23x33,5 cm. para poder alicatar las paredes ondulantes tan presentes en el interiorismo actual.

Surf nos ofrece propuestas heterogéneas de contrastada pluralidad estética: una extensísima carta de monocolors tanto en mate como en brillo, piezas artesanales con vistosos esmaltes reactivos, tradicionales terracotas y lujosos acabados en oro y plata. Completamos la colección con dos formatos creados en porcelánico; un

20x20 cm. y un 30x30 cm. con apariencia de 10x10 cm. Junto a estampados geométricos de renovada elegancia clásica y una gama cromática afín a los revestimientos de la serie. Surf es una colección ingeniosa pensada para un público rebelde y valiente, con alma joven y una mirada nostálgica.

Surf by VIVES. It is a versatile complement to other ranges that naturally fits into all contemporary spaces. Surf was created to help complement the other collections in the VIVES catalogue with it being a supplementary decorative tile. This allows the designer to bring the most ambitious and creative projects to life.

If you can imagine it, it can be created with the Surf collection.

Surf consists of several 32x99 cm. wall tile in light and luminous colours with a wide variety of decorative nuances. A wide variety of tiles in 2x23 cm. and 23x33.5 cm. are available for tiling the undulating walls so prevalent in current interior design.

Surf offers diverse options with a contrasting aesthetic range: an extensive selection of single colours in both matt and gloss finishes, handcrafted pieces with striking reactive glazes, traditional terracotta, and luxurious gold and silver finishes.

Two porcelain formats complete the Surf collection; a 20x20 cm and a 30x30cm tile.

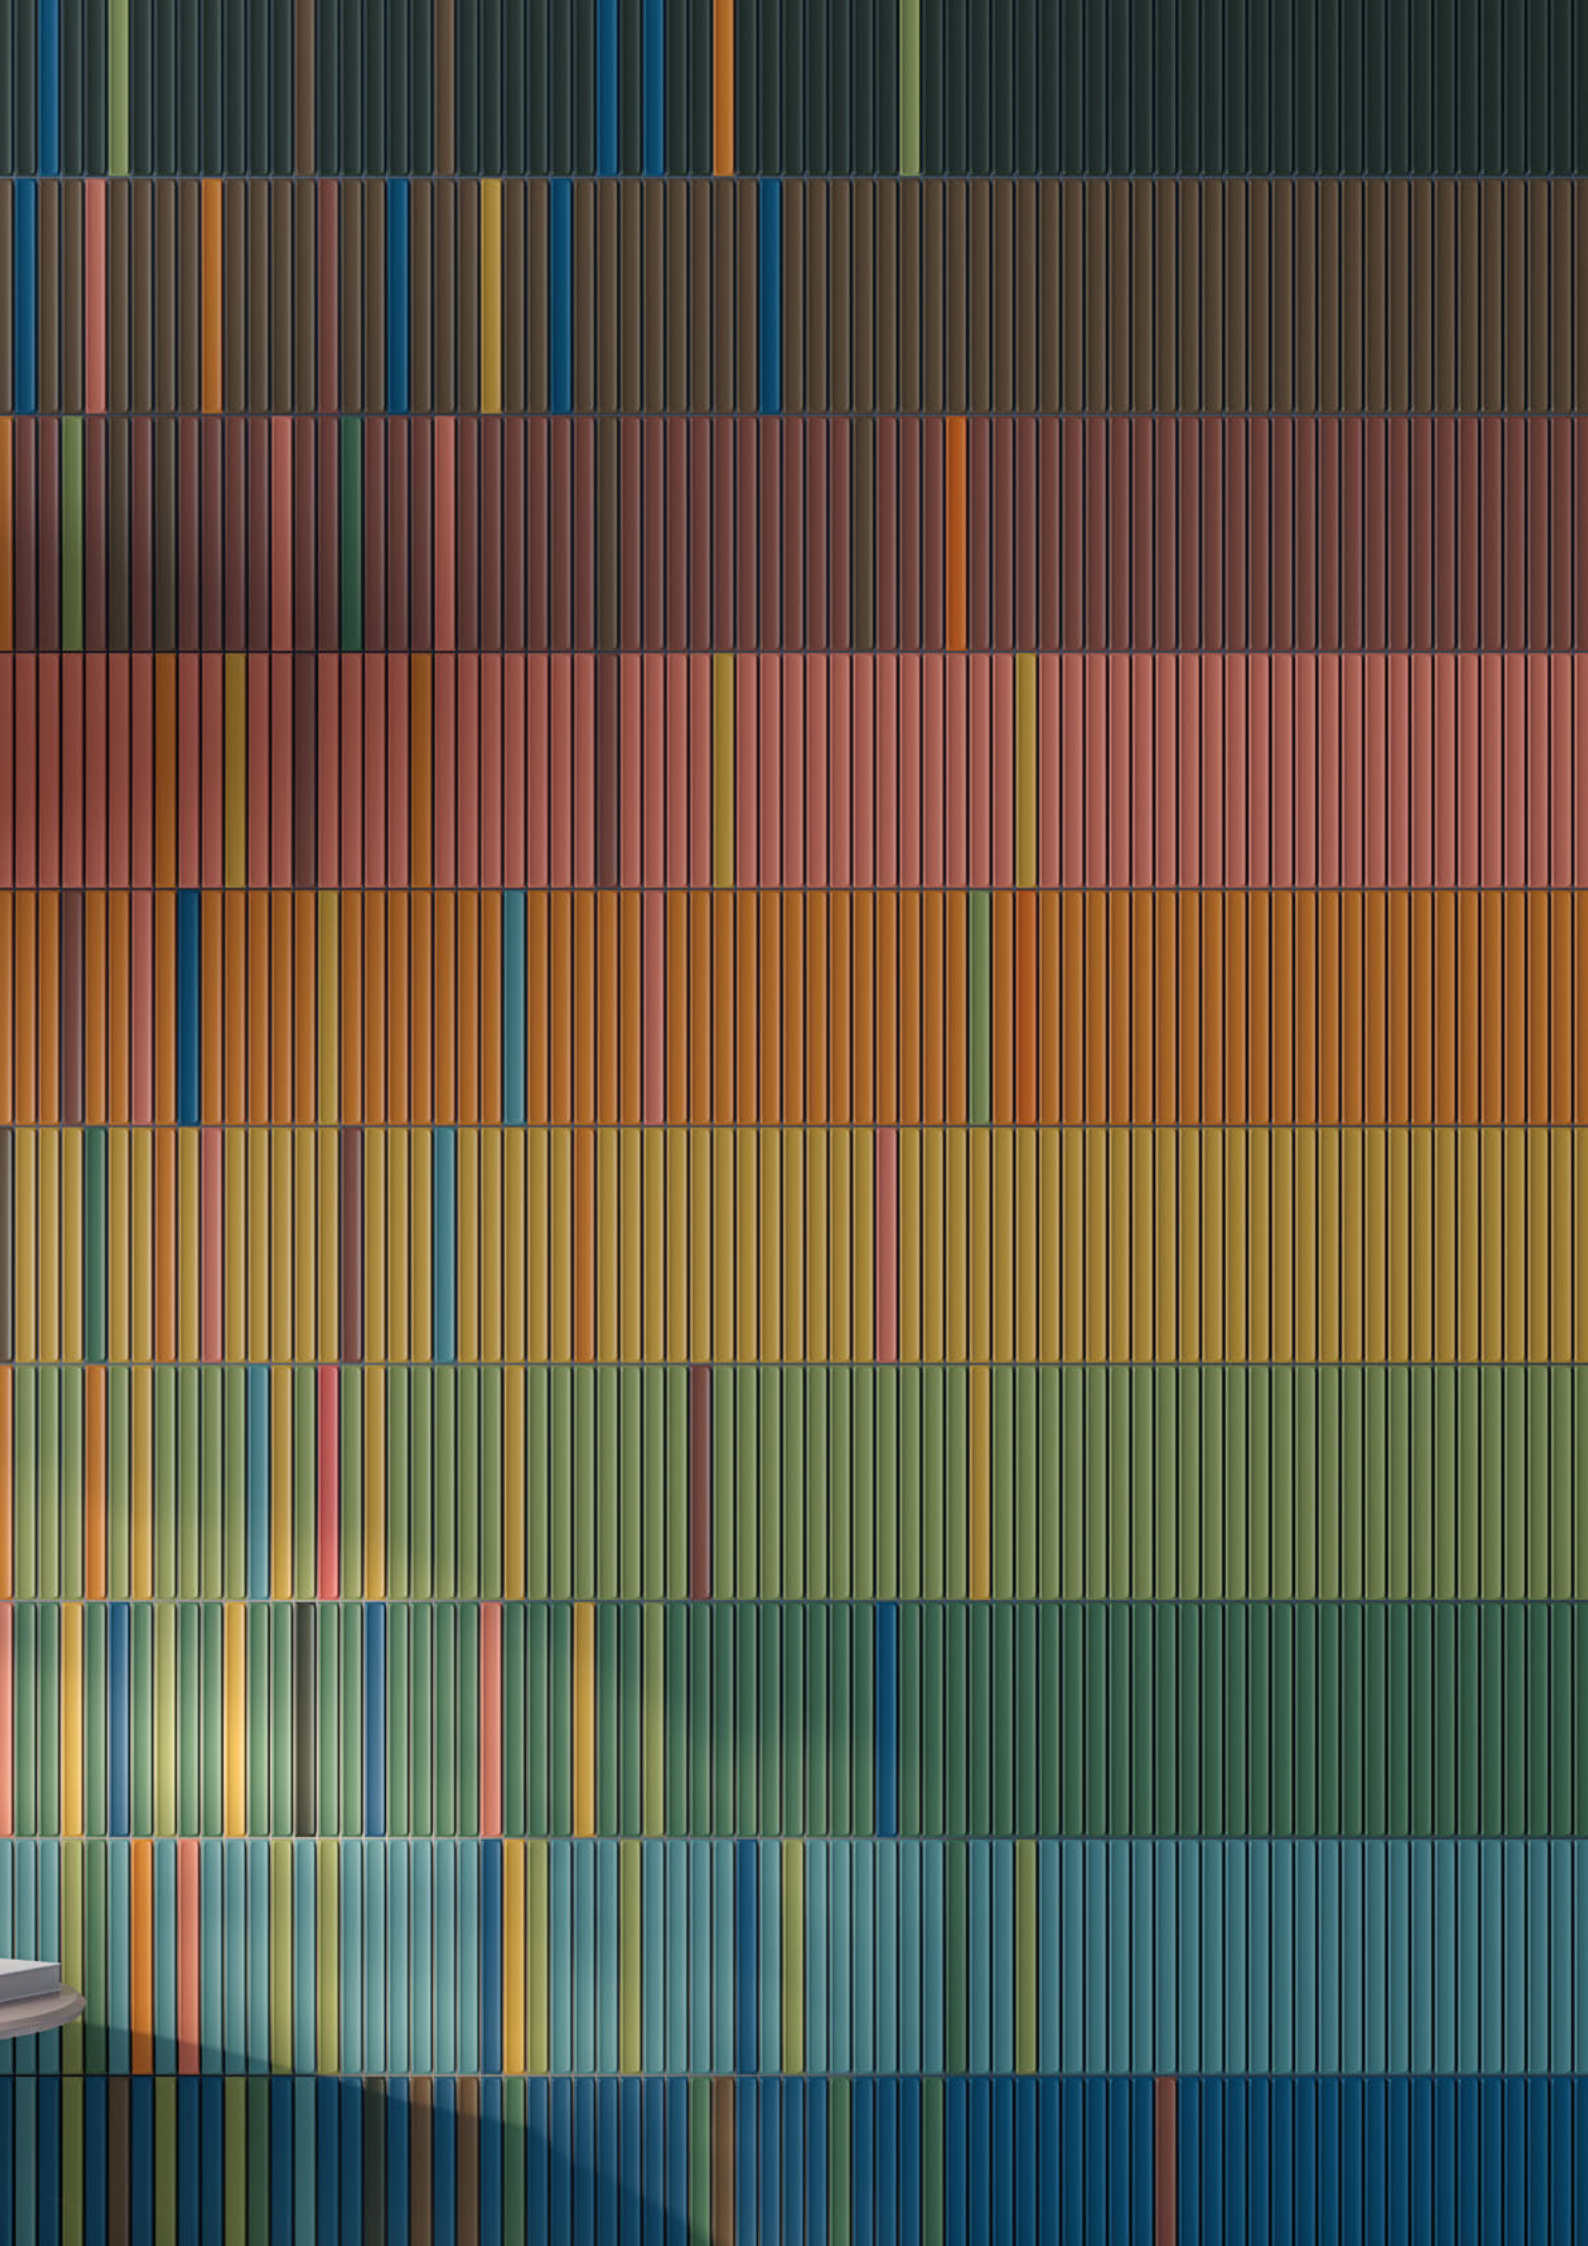

This 30x30cm tile appears to be a smaller 10x10 cm. tiles.

Along with geometric prints of renewed classic elegance and a colour palette that complements the wall coverings in the series.

Surf by VIVES is an ingenious collection designed for a rebellious and daring audience, with a youthful spirit and a nostalgic eye.
