RECLAIMED TEAK FROM INDONESIA

THE RECLAIMED TEAK COLLECTION

We source our reclaimed teak in Indonesia.

A much-beloved tropical hard wood we find in the pillars of derelict houses and as root wood on plantations.

The teak comes in various stages of erosion; some much weathered, others not so. Some characterised by a flame grain, others by more organic and erratic water markings.

Explore our premium process: watch our Reclaimed Teak movie [here](#).
